

REMARKS

This paper is submitted in reply to the Notice of Allowability dated May 3, 2005. In this paper, claims 34 and 36-37 have been amended to correct minor grammatical errors in the claims of the Examiner's Amendment included with the Notice of Allowability.

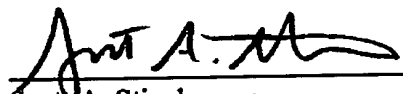

Applicants respectfully submit that these amendments do not raise any new issues, nor do they require any additional search or Examination, as they all conform with claims that were previously allowed by the Examiner. Applicants therefore respectfully request that the Examiner consider and enter these amendments.

In addition, Applicants respectfully request that the Examiner consider the references cited in the Supplemental Information Disclosure Statement mailed by Applicants on October 5, 2004 and received by the Office on October 8, 2004 for the above-identified patent application. Applicants have enclosed herewith a copy of this 1449 Form printed from the Office's PAIR system with regard to this filing and respectfully request that the Examiner review the cited references and return an initialed copy of the 1449 Form to Applicants prior to issuance of the application.

If the Examiner has any questions regarding the foregoing, or which might otherwise further this case onto allowance, the Examiner may contact the undersigned at (513) 241-2324. Moreover, if any other charges or credits are necessary to complete this communication, please apply them to Deposit Account 23-3000.

Respectfully submitted,
